Emulsi-D3 Synergy™

Helps to maintain immune function
55 ml Liquid | NPN80073152 | EMDK2Z-CN

Emulsi-D3 Synergy™ is a highly concentrated liquid vitamin D + K formula. It provides targeted amounts of vitamin D3, vitamin K1, and vitamin K2. With its tasty liquid delivery and easy use, it is a convenient choice for adults. Both vitamins D and K are essential for bone, and immune system health. This formula may be beneficial for individuals who do not get adequate sunlight exposure and/or dietary sources of these important fat-soluble vitamins.

Why are Vitamins D and K Important? Vitamins D and K work together to keep bones strong and healthy. They help shuttle calcium into bones and teeth and away from arteries. Vitamin D is required for normal immune system balance and respiratory health, especially during times of immune challenge. It also helps the body absorb calcium.

JUST THE FACTS:

- Supports optimal bone health
- Helps maintain immune system balance
- Helps optimize calcium absorption
- 0.5 ml (half of a dropper) provides 25 mcg (1000 IU) of vitamin D3, 100 mcg of vitamin K1, and 20 mcg of vitamin K2 (as MK-4)
- Pleasant taste and convenient liquid delivery
- Suitable for individuals who have trouble with pills
- Mixes easily in liquid or can be taken directly under the tongue
- Gluten-free, soy-free, dairy-free, or non-GMO

RECOMMENDED DOSE:

dults 19 years and older: Take 0.5 ml per day, or as directed by your health care practitioner. Refer to the product label for dosing instructions, age-appropriateness, and relative risk statements. Healthcare practitioners are encouraged to use clinical judgement with case-specific dosing based on intended goals, subject body weight, medical history, and concomitant medication and supplement usage.

Consult with your health-care practitioner about your specific circumstances and any questions you may have about this product.
